### Payment- Cancellation Policy

**PAYMENT OF CLASS FEES POLICY:** Class fees save you a place in a class at a certain place and time. Full class fee must be paid to register for class. **All class fees are non-refundable.** Please sign up and pay only after you have decided to make attending the lessons a priority.

**EXCEPTION:** Notification in writing 15 calendar days before the first class meeting for a health related or family emergency issue (with documentation as applicable) a refund may be warranted. The decision to override our no refund policy shall not be made lightly and is final according to the decisions of the Aquatic Manager. Should a refund be made you may receive 60% of the class fee (less a \$10 registration fee).

**RESCHEDULE A COURSE:** If you or a child is registered for a course but you desire to move to another course time or date the request must be in writing and be submitted 10 days or longer in advance. **(There will be a \$10 administrative fee)** No changes will be allowed less than 5 days prior to the first lesson.

**MAKE UP POLICY:** Swim lessons should be made a priority in your child's life. Skipping lessons are not good for your child and are not fair for the other children in class who have to wait while the instructor tries to catch up the child who was absent. Lessons are progressive in nature where a student's success depends upon being exposed to each class in sequence. **WE DO NOT OFFER MAKEUP CLASSES** due to your child missing class. If classes are cancelled due to a pool or weather problem make up days will be scheduled.

**REGISTRATION DEADLINES** - Persons signing up for swimming after the registration deadlines shall pay a late fee of \$5.00 per swimmer registration. No new registrations will be allowed regardless of openings in the session 5 days prior to the class start date.
